### ARRANGEMENT OF MATERIAL

In order to show clearly the receipts and disbursements of each spending agency, or undertaking of the State, a functional rather than alphabetical arrangement is used. The same arrangement serves both receipts and disbursements but for convenience these are presented separately, the disbursements preceding the receipts.

These agencies or undertakings are grouped under twelve heads or activities. The recapitulation is given first, followed by summaries which in most cases are supported by detailed analyses. In some instances, particularly with regard to receipts, no supporting analyses appear, since the detail would consist of but one item and hence furnish no more information than shown in summary.

The activities or heads under which the agencies or undertakings are grouped, are as follows:

- I. General Administration
- II. Protection to Person and Property
- III. Development and Conservation of Natural Resources
- IV. Conservation of Health and Sanitation
- V. Highways and Public Works
- VI. Charities, Correction and Welfare
- VII. Education
- VIII. Parks, Sites and Reservations
  - IX. Pensions
  - X. Interest, Discount and Premiums
  - XI. General Non-Governmental Costs\*
- XII. Federal, Trust and Revolving Funds

<sup>\*</sup>Carried under Receipts as "Miscellaneous Non-Revenue Receipts."
